£230,000

This is an excellent opportunity to acquire a family sized semi detached new home that will be covered by an architects certificate. The house is set on three floor levels with two bedrooms of the four having en-suite facilities and there is a first floor family bathroom. To the ground there is a hallway and cloakroom plus a lounge with French doors to the exterior. The kitchen/diner is very well fitted with a range of appliances to include an oven, a hob and hood together with a dishwasher and a fridge/freezer. Heating is via a gas system and the property is double glazed together with three velux roof lights. To compliment the good quality of finish, oak doors and skirtings are to be provided and floor coverings will include carpets and tiled flooring where required. Externally there will be gardens together with tandem parking facilities. Mount Ambrose is within two to three hundred yards and here you will find a shop together with bus services linking Redruth and Truro. The A30 is within approximately two miles as is the town centre.

We have recently sold new homes for R & J Developers and in all cases the owners have been delighted with their purchase. It is anticipated that the property should be ready by October.

Please note that measurements are taken from plans at the present time.
